

**Tour Hosts
George and
Judy Buettner**

George and Judy are no strangers to hosting tours to Israel and Jordan. They have been to the land four times and this will be their third hosted tour. They are firmly convinced that your exposure to the land of the Bible will be a life-enriching event.

You will read your Bible with a new understanding of it's setting as you visit the sites and regions where its unfolding story of redemption took place.

***You are invited to be part of
this group!***

Your Bible reading and knowledge will be incredibly enhanced as you visit biblical sites from the arid Negev to the lush Galilee. You will experience places most tours to Israel don't visit. We'll travel the length and breadth of the land, including a one-day excursion into Jordan to see the famed city of Petra.
