EVALUATIVE COMMENT:

It is with a student such as Mr. Buettner that it becomes truly difficult to make an evaluation which seems objective. I have seldom had any person in class who has made such an instant and lasting impression for good. It is my honest opinion that Mr. Buettner will prove himself to be an asset in any situation in which he may choose to work. He is an outstanding student, a patient father and husband, and a true friend to those who know him. I feel that there is nothing of a negative nature that I could say regarding this young man. I find him exceptional in every respect and am pleased to submit my highest recommendation in his behalf for any future position.
