EVALUATIVE COMMENT:

Mr. Buettner is currently serving as a half time elementary counselor. He has assumed the major responsibility for the implementation of our new counseling and guidance program. In less than two years I have seen significant growth in the program due to his hard work and direction. He has been an important member of our staffing team and a valuable resource for students, staff and community.

He has maintained a student caseload within the limits of his schedule working with class groups on guidance activities, working one on one with students, conducting parenting classes, conferencing with parents and participating in weekly staffings.

Mr. Buettner has demonstrated effective leadership skills while chairing our Building Guidance and Counseling Committee.

Mr. Buettner is a personable and professional individual who is an asset to our staff and I would highly recommend him for any counselor position.
